About the institute

The institute was started in 2010 by the Gondia Education Society (GES) whose founder Late Shri Manoharbai Patel endeavored throughout his lifetime to bring education to the masses. His dream was to start Engineering College to impart technical education to younger generation of Gondia & Bhandara district with a view to technical advancement of the region and towards contribution to the country. This was later materialized by his son, a philanthropist, Shri Pralubhai (Our Mentor) who actively led in cherishing the dream of his father. The Manoharbai Patel Institute of Engineering & Technology, Bhandara covers 10 acres of land with well-fledged construction comprising of well equipped laboratories, classrooms, workshops, centralized as well as departmental level Computer Centers, Library, Training and Placement Cell, etc. within the campus. MIET has emerged as a role of the premier institute in Ravitrasant Jaldode, Maharashtra Nagpur University, Nagpur imparting engineering education to the masses of the region.

With a student strength of 800 plus for total four departments of engineering, the efforts are directed to accommodate and address the expectations of each student by the way of enabling them to participate in the seminars, workshops organized in and out of the institute.

The institute is also engaged in supporting the students to refine the necessary skills, attitudes and the attitude towards the corporate placement process in the campus by the way of periodical competitive tests and group interaction exercises.

OBJECTIVE OF THE CONFERENCE

To provide a forum for the professionals, researchers, scientists and academicians to share their views and ideas towards latest advancements in Engineering & Technology.

TOPICS OF RELEVANCE

The focus will be on major areas of wide engineering branches such as:

- Civil Engineering
- Electronics & Communication Engineering
- Mechanics of Engineering
- Computer Engineering
- Applied Engineering & Sciences

PUBLICATION OF PAPERS

The authors who present papers will be awarded with Certificate and CD having proceedings of the event.

Registration Fees

- Engineering Faculty: Rs. 1000/- each
- Research Scientist: Rs. 1000/- each
- Professionals: Rs. 500/- each
