Dear Amit,

Hope you are doing fine today.

Unable to reach you from couple of days, relevant information has been conveyed to Prof. Mr. Shailesh Nagapure.

In continuation with the campus drive, we are looking to absorb two more candidates in our organization and hence wanted to release the offer as such,

1. Required candidates are Deepak Patle & Pankaj Selokar from E & C branch, who failed the technical interviews in the campus drive slightly.

2. Would like to offer them On-job training of 3 months to our client site Mahindra Tractor, Hingna, Nagpur w/o Salary or unpaid.

3. Based on their performance here, we would be able to absorb them in our organization.

Please let us know your views to the earliest with any other questions welcome.

Regards,
Shailesh Shende
