The Editor,

International Journal of Innovations in Engineering and Science

To,

The Convenor /Org.Secretary

National Conference On "Emerging Trends In Engineering & Technology"
Manoharbhair Patel Institute Of Engineering & Technology
Shahpur, Bhandara

Reference - Your Letter Ref No: dated 05/03/2019

Dear Sir,

We, International Journal of Innovations in Engineering and Science are happy to accept your proposal to publish research papers of National Conference on "Emerging Trends In Engineering & Technology" 19 scheduled on 18th March, 2019. As per our communication, we are agreed to publish all individuals' papers of NCETIET-19 in journal issue at a cost of Rs. 350/- per paper. The paper template is attached with this letter. All papers should be submitted in given template only in doc format. For details of manuscript template you can refer our website www.ijies.net.

We will be happy to serve you better in above agreement. We will put your advertisement in current updates scroll of our website for publicity. The fees should be deposited to account No 50336729916 ,Name- Innovative Scientific Publication, Allahabad Bank ,Nagpur ,IFSC Code- ALLA0212639.

Thanks & Regards

Editor

CALL FOR PAPERS

Prospective authors are kindly invited to submit full text papers on the broad scope of topics related to engineering and science mentioned above. The submitted articles should report previously unpublished research report or review papers with suitable references. The authors who present papers will be provided with Certificate and CD having proceedings of the event. There shall be maximum four authors per paper. The selected papers after review will be published in International Journal of Innovations in Engineering and Science, ISSN: 2456-3463. Guidelines for the manuscript preparation and submissions are attached herewith and also available on journal website <http://www.ijies.net>. Authors should carefully go through journal guidelines and comply with publication requirements of the journal.

NATIONAL CONFERENCE ON EMERGING TRENDS IN ENGINEERING & TECHNOLOGY
