Department of Computer Engineering

Report on

3-Day Workshop on "Android Application Development"

2019-2020

Introduction:

Workshop on “**Android Application Development**” aims to impart technical and practical knowledge to students and future engineers. This workshop was an initiative of Department Computer Engineering, Manoharbhair Patel Institute of Engineering & Technology, Bhandara under the Guidance of **Dr. A.L.Nashine (Principal-MIET Bhandara)**), **Prof. Piyoosh Awthare (HOD-CE)**, **Prof Jayant Rajurkar** and **Prof. Shraddha Agnihotri** to impart knowledge to the students regarding app development in Android.

Dr.A.L.Nashine, (Principal, MIET Bhandara) started by addressing the students and faculties by giving them an insight about the Department and course and why they were conducting such events for the students, what benefit students will gain by such events and many more advantages of students.

About the Workshop:

It was an interactive workshop with **Mr. Faizan Aalam, Trainer Nagstud Technologies**. He started the workshop with the Current trends of Android development and its advantages and disadvantages. He explained them the benefits and changes it will bring to day-to-day activities and how it can benefit them irrespective of their branch. He discussed the

**Principal
MIET, Bhandara**

importance, usefulness and impact of apps in today's digital world. He briefed the students about the types of validation, basic hardware and software requirements for android development.

He provided insights about Android development. He explained them app architecture, app components and app resources. He not only explained it analytically but also demonstrated by creating an app with the students. Even the students got a chance to experiment with their coding skills on Android Studio. To enhance their skills an app development competition was declared. In this the students had to design the user interface of the app.

Workshop on Embedded System - (9th Sep-12th Sep -2019)

A workshop was organized by Department of Electronics and Communication Engineering in collaboration with Digitronix, Nagpur from (9th Sep-12th Sep -2019).

Objective:

1. To give sufficient background for understanding embedded systems design.
2. To understand connections of various peripherals with microcontroller based system
3. To study of embedded system design aspects.

Workshop Content:

1. Introduction to Embedded system
2. Basic Programming using Embedded C Language.
3. Mini Projects.

35 Students participated.

Workshops/ Training Program Conducted During 2019-2020

DEPARTMENT OF HUMANITIES AND SCIENCES

2019-20

One Week “Induction Programme For 1st Year “

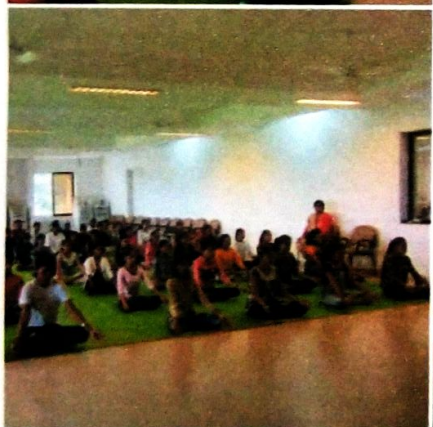

As per the directives of AICTE and RTMNU, Nagpur, a one week long Induction Programme for the First year students has been organized at Manoharbhair Patel Institute of Engineering and Technology Bhandara from **19th August to 24th August 2019**. The programme was inaugurated by Dr. Ashish Nashine, principal of the institute in the presence of Dr. P R Harde, Dr. MK Tiwari, Prof. YT Shende coordinator and other faculty members. Prof. YT Shende, coordinator of the events cleared the aims and objectives of the programme. Principal, Dr. Ashish Nashine related the importance of such kind of events for the budding engineers and also appealed to all newly admitted students to attend it positively to get benefitted for their career in his introductory remarks.

At the very first day, Mr. Kaustubh Sapre of Nagpur, Trainer of corporate sector (Soft skills) took a workshop of the students on various skills of personality development. He tried to make them participative in the activities like self introducing, stage daring and speaking skills too. In the second half, Mr. Kaustubh Sapre took a session on a topic like, ‘What is expected from You’. He tried to make them activated through their participative involvement.

On the other day, Mr. Alen Abraham, a consultant of APS Microtech Pvt. Ltd. Nagpur took an activity based session concerning Training and Placement. In the consecutive third day, a mega lecture on General Awareness of Health and Self Safety was taken by Mrs. Mrumal Muneshawar, Sr. counselor of Yuva Rural Association Bhandara district.

Then on 22nd August, the Yoga Classes in association with Patanjali Yog Samitee, Bhandara have been taken by Mrs. Geeta Ilme, district coordinator Patanjali Yog Samitee Bhandara. Afterwards, (23rd August) the fifth day was simultaneously packed with some classes on Stress Management and Motivational lectures.

Principal
MIET, Bhandara

Dr. Anshu

2019-20

Topic – Guest lecture on “Additive manufacturing & Digital Fabrication”

Speaker : Mr. Abhijeet Raut Executive Director 3 D Innovations Nagpur

Faculty Co-ordinator: Prof. Girish Bhiogade & Prof. Suraj Soni

Date & Time: 29th July 2019 at 11.00AM

Venue: Seminar Hall

No. Of Participants -90

A guest lecture on “Additive manufacturing & Digital Fabrication” was held on 29th July 2019 . The guest lecture has been organized by the department of Mechanical Engineering to provide the students with an opportunity to get a head start in 3 D printing and digital fabrication technology, which is an emerging technology in the field of Mechanical Engineering.

Guest Profile:

Mr. Abhijeet Raut is an Executive Director 3 D Innovations Nagpur, He has also the several years of experience in the field of academics.

BRIEF REPORT OF THE ACTIVITY:

The students of 6th semester & 8th semester of mechanical engineering under the supervision Prof. S.. Soni of Prof. G. Bhiogade & participated in a guest lecture on the topic of “Additive manufacturing & Digital Fabrication” Through the Lecture the students understood the various concepts and enhanced technology & the problems facing with present technology used in the field of traditional manufacturing process.

Subject: Invitation for Guest Lecture in our Institution .

Sir,

We feel pleasure in introducing ourselves as Manoharbhai Patel Institute of Engg. & Technology Shahapur, Bhandara, an Engineering Institute in Maharashtra. To cope up industrial development & technological changes, a symbiotic interaction between Institute & Industry is a must.
In this regard, we planned to arranged the guest lecture on 29th July 2019. We request you to deliver the lecture on Advance Manufacturing Using 3D Printing and give your valuable knowledge to the students of MIET Bhandara.

Looking forward for a favorable reply.

Thanking you,

Yours faithfully,

Principal,

GUEST LECTURE- 2019-2020

DEPARTMENT OF COMPUTER ENGINEERING

Topic : Guest Lecture on "**Data Science & its Applications**"

Speaker: Mr. Ishan Meshram, Data Scientist, Synchronism Solutions Pvt. Ltd., Pune.

Faculty Coordinator: Prof.J.Rajurkar

Date & Time: 27th Jan 2020 at 11.00 AM

Venue: Computer Centre (Computer Engg Deptt)

A guest lecture on "**Data Science & its Applications**" was held on 27th January 2020. The guest lecture has been organized by the department of Computer Engineering to provide the students with an opportunity to get a head start in Data science, which is an emerging technology in the field of Fraud and Risk Detection, Advanced Image Recognition, Speech Recognition, etc.

The guest lecture began with welcome address by the Head of the Department, Computer Engineering **Prof.P.Awthare**. He has introduced and welcomed Mr. **Ishan Meshram**, Data Scientist, as resource person to deliver the lecture.

Guest Profile:

Mr. **Ishan Meshram**, Data Scientist, Synchronism Solutions Pvt. Ltd., Pune, with more than 5 years of Industrial experience in leading organizations including AI, Machine Learning, Deep Learning NLP.

The session was then began with an introduction to Data science and how important it is going to be in the near future. Following which, he light on the benefits and drawbacks of using Data science and how effectively it is being used in the industry and various other sub domains.

The session ended with a hearty thanks and presenting of a memento to Mr. **Ishan Meshram** by Prof. P.Awthare, in appreciation for taking the time out to educate the students on

Principal

2019-20

Topic – “ETHICS IN WORKPLACE FOR A SECURE JOB”

Ethics are the guiding principles that determine how people conduct themselves in every aspect of their lives, including the workplace. While ethics and workplace behavior has always been important, there's been a shift over the past few years in how the public and employees view major issues. This topic covers how students can inculcate the good ethical and behavioral qualities in them.

Broad Areas: Civil Engg, Mechanical Engg, Computer Engg, Electronics and Communication Engg

Speaker: Prof. A.V. Manapure, T&P Officer, MIET, Bhandara

Faculty Convener: Prof. A.V. Manapure

Date & Time: 6th June, 2020 at 12.00m

Venue: Online Zoom Cloud Meeting

No. of Participants -Total 157 registrations, 55 attendees.
