

## YEARLY STATUS REPORT - 2023-2024

### Part A

#### Data of the Institution

<b>1.Name of the Institution</b>	
	MANOHARBHAI PATEL INSTITUTE OF ENGINEERING & TECHNOLOGY
• Name of the Head of the institution	DR.PRALHAD R. HARDE
• Designation	PRINCIPAL
• Does the institution function from its own campus?	Yes
• Phone no./Alternate phone no.	7666297458
• Mobile No:	9822923994
• Registered e-mail	principalmietb@rediffmail.com
• Alternate e-mail	pralhad_harde@rediffmail.com
• Address	MANOHARBHAI PATEL INSTITUTE OF ENGINEERING & TECHNOLOGY,N.H.6,SH AHAPUR ,BHANDARA ,DIST-BHANDARA PIN-441906
• City/Town	SHAHAPUR
• State/UT	MAHARASHTRA
• Pin Code	441906
<b>2.Institutional status</b>	
• Affiliated / Constitution Colleges	Rashtrasant Tukadoji Maharaj Nagpur University
• Type of Institution	Co-education

• Location	<b>Rural</b>																
• Financial Status	<b>Self-financing</b>																
• Name of the Affiliating University	<b>RASHTRASANT TUKADOJI MAHARAJ NAGPUR UNIVERSITY</b>																
• Name of the IQAC Coordinator	<b>Prof.Ajay N. Motiwal, IQAC coordinator</b>																
• Phone No.	<b>9860910118</b>																
• Alternate phone No.	<b>9860910118</b>																
• Mobile	<b>9860910118</b>																
• IQAC e-mail address	<b>motiwal_ajay@yahoo.com</b>																
• Alternate e-mail address	<b>motiwalajay@gmail.com</b>																
<b>3.Website address (Web link of the AQAR (Previous Academic Year)</b>	<a href="https://mietbhandara.ac.in/uploaded_files/AQAR_22-23.pdf">https://mietbhandara.ac.in/uploaded_files/AQAR_22-23.pdf</a>																
<b>4.Whether Academic Calendar prepared during the year?</b>	<b>Yes</b>																
• if yes, whether it is uploaded in the Institutional website Web link:	<a href="https://mietbhandara.ac.in/uploaded_files/AcademicCal2023-2024.pdf">https://mietbhandara.ac.in/uploaded_files/AcademicCal2023-2024.pdf</a>																
<b>5.Accreditation Details</b>																	
<table border="1"> <thead> <tr> <th>Cycle</th> <th>Grade</th> <th>CGPA</th> <th>Year of Accreditation</th> <th>Validity from</th> <th>Validity to</th> </tr> </thead> <tbody> <tr> <td><b>Cycle 1</b></td> <td><b>B</b></td> <td><b>2.29</b></td> <td><b>2021</b></td> <td><b>28/10/2021</b></td> <td><b>27/10/2026</b></td> </tr> </tbody> </table>						Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to	<b>Cycle 1</b>	<b>B</b>	<b>2.29</b>	<b>2021</b>	<b>28/10/2021</b>	<b>27/10/2026</b>
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to												
<b>Cycle 1</b>	<b>B</b>	<b>2.29</b>	<b>2021</b>	<b>28/10/2021</b>	<b>27/10/2026</b>												
<b>6.Date of Establishment of IQAC</b>			<b>21/06/2018</b>														
<b>7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,</b>																	
<table border="1"> <thead> <tr> <th>Institutional/Department /Faculty</th> <th>Scheme</th> <th>Funding Agency</th> <th>Year of award with duration</th> <th>Amount</th> </tr> </thead> <tbody> <tr> <td><b>MIET Bhandara</b></td> <td><b>DBT</b></td> <td><b>State Government</b></td> <td><b>2022-2023</b></td> <td><b>10386519</b></td> </tr> </tbody> </table>						Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount	<b>MIET Bhandara</b>	<b>DBT</b>	<b>State Government</b>	<b>2022-2023</b>	<b>10386519</b>		
Institutional/Department /Faculty	Scheme	Funding Agency	Year of award with duration	Amount													
<b>MIET Bhandara</b>	<b>DBT</b>	<b>State Government</b>	<b>2022-2023</b>	<b>10386519</b>													

<b>8. Whether composition of IQAC as per latest NAAC guidelines</b>	<b>Yes</b>	
<ul style="list-style-type: none"> <li>• Upload latest notification of formation of IQAC</li> </ul>	<a href="#">View File</a>	
<b>9. No. of IQAC meetings held during the year</b>	<b>1</b>	
<ul style="list-style-type: none"> <li>• Were the minutes of IQAC meeting(s) and compliance to the decisions have been uploaded on the institutional website?</li> </ul>	<b>Yes</b>	
<ul style="list-style-type: none"> <li>• If No, please upload the minutes of the meeting(s) and Action Taken Report</li> </ul>	<a href="#">View File</a>	
<b>10. Whether IQAC received funding from any of the funding agency to support its activities during the year?</b>	<b>No</b>	
<ul style="list-style-type: none"> <li>• If yes, mention the amount</li> </ul>		
<b>11. Significant contributions made by IQAC during the current year (maximum five bullets)</b>		
Conducting national level conference.		
Promoting for industrial training ,visits to students.		
Conducting Online/Offline webinar/ workshop/ guest lecture.		
Promoting to faculty members for higher education.		
<b>12. Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year</b>		

Plan of Action	Achievements/Outcomes
Conducting national level conference.	conducted
Promoting for industrial training ,visits to students.	Industrial training &visits conducted
Conducting Online/Offline webinar/ workshop/ guest lecture.	conducted
Promoting to faculty members for higher education.	Promoted faculty members

<b>13.Whether the AQAR was placed before statutory body?</b>	No
<ul style="list-style-type: none"> <li>Name of the statutory body</li> </ul>	

Name	Date of meeting(s)
Nil	Nil

<b>14.Whether institutional data submitted to AISHE</b>	
Year	Date of Submission
2023-24	18/12/2024

<b>15.Multidisciplinary / interdisciplinary</b>
<p>We at MIET bound to focus on multidisciplinary and interdisciplinary approaches in education. Education is a complex world with many styles, values, and philosophies.Multidisciplinary or interdisciplinary learning comprehensive method that covers an idea, topic, or text by integrating multiple knowledge domains and our institute has been providing the same. An approach to curriculum integration which focuses primarily on the different disciplines and the diverse perspectives they bring to illustrate a topic, theme or issue. A multidisciplinary curriculum is one in which the same topic is studied from the viewpoint of more than one discipline. Multidisciplinary learning is a wonderful way to totally integrate the education into a comprehensive unit. The benefits of a multidisciplinary approach in education are plentiful and students found themselves in such categories. Also multidisciplinary education is a part of curriculum which is designed by the</p>

university. Engineering degree might be helpful to do profession or business by learning other streams like economics, human values, yoga or humanities which are taught in our institute. Students are found enable to get knowledge of the world due to multidisciplinary approach.

#### **16.Academic bank of credits (ABC):**

Academic Bank of Credits (ABC) is a virtual/digital storehouse that contains the information of the credits earned by individual students throughout their learning journey in a particular institute. It makes enable the student to drop out in any year and then exchange the credits earned so far with a certificate/diploma if they are eligible. They can redeem the credits and rejoin the same or any other institute in the future and continue their education. Credits are given to study hours required for achieving the learning outcomes which include study time, assignments and examinations. We are in process of completing ABC of students in this academic sessions.

#### **17.Skill development:**

We are committed to run skill development courses in our institute. We promote the students to gain such knowledge which will be beneficial to develop their skill and to shape their careers. Our students are found talented in making decisions, repairing machines or calculating taxes. Skill Development Courses help to perform a particular activity in a very experienced manner can be known as a skill. Skill Development courses are normally offered in various forms of programs like certification, Diploma and PG Diploma, UG of bachelor's level, PG or master's level, Ph. D. doctorate level. We run such courses in our institute and trying for the best in ensuing times.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

India is a treasure of culture, developed over thousands of years and manifested in the form of arts, works of literature, customs, traditions, linguistic expressions, heritage sites, and many more. Language, of course, is inextricably linked to art and culture. Different languages connect the world differently, and the structure of a language, therefore, determines a native speaker's perception of experience. In particular, languages influence the way people of a given culture speak with others, including with family members, authority figures, peers, and strangers, and influence the tone of conversation. Culture is, thus, encased in our languages. Art, in the form of literature, plays, music, film, etc. cannot be fully

appreciated without language. In order to preserve and promote culture, one must preserve and promote a culture's languages. Our institute is located in the remote part of Maharashtra state and many students from different linguistic knowledge are getting education. To promote Indian languages, we are trying to teach Sanskrit, Urdu, Marathi and some regional languages also. Even some special teachings of Indian languages are expected in future.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

Outcome-based education or outcomes-based education (OBE) is an educational theory that bases each part of an educational system around goals (outcomes). By the end of the educational experience, each student should have achieved the goal. Outcome-based education (OBE) is education in which an emphasis is placed on a clearly articulated idea of what students are expected to know and be able to do, that is, what skills and knowledge they need to have, when they leave the education system. Focusing on results Outcome-based education (OBE) generates a transparent expectation of the top results. Students can understand what they expect, and teachers can understand what they need to demonstrate throughout the course. Our students are able to do something new on the basis of education and results what they received. The focus on outcomes creates a clear expectation of what needs to be accomplished by the end of the course. Students will understand what is expected of them and teachers will know what they need to teach during the course.

#### **20.Distance education/online education:**

Distance Education is a process to create and provide access to learning when the source of information and the learners are separated by time and distance or both. In other words, distance learning is the process of creating an educational experience of equal qualitative value for the learner to best of his career. Still we are not providing any kind of distance education from our institute and we don't have such kind of center allocated by the university or any higher institute.

Total expenditure excluding salary during the year (INR in lakhs)	
4.3	200
Total number of computers on campus for academic purposes	

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The Institute's academic calendar is prepared at the start of semester. Teachers are encouraged to plan the curriculum through innovative teaching-learning methods such as presentations, assignments, discussions, workshops, seminars, industrial visit. The faculty maintain the course files which include Roll list, timetable, teaching scheme, syllabus, teaching plans, PUT/ Sessionalexamination papers, university question papers, Record of attendance (Theory and Practical), which is reviewed regularly by Academic Committee. The institute organize induction program for the first year students at the beginning of session..

The development & action plan for effective implementation of the curriculum are detailed below: \* The institute's academic calendar is prepared by the Academic In charge along with academic committee in consonance with university academic calendar and approved by the Principal of the institute before commencement

of every semester.

\* Subjects are allotted to the faculties by Head of the Department and the time table coordinator prepares time table for the semester considering the subject allotment. \* The respective HODs monitor the engagement of the classes & students attendance. The time table execution is maintained by the faculty coordinator and monitored by the Head of the Department. \* The institute organizes sports, technical and cultural events every year to enhance the capability of the students. The institute organizes various Add on programs for the students to explore their skills such as ,Auto CAD, Robotics staddpro, etc The feedback is taken from students about faculty, This feedback is analyzed and corrective measures are taken for the quality improvement.

File Description	Documents
Upload relevant supporting document	<a href="#">View File</a>
Link for Additional information	Nil

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Academic calendar for the semester is prepared before two weeks of commencement of the semester. The academic calendar is generally prepared on the basis of academic calendar of RTMNU and discussion with heads of the department. it consist of commencement of classes of odd/even semester, sessional examination, PUT dates, schedule for technical, cultural, sport event, date of submission of internal marks and vacations. Institute takes all efforts to strictly follow the academic calendar but after receiving the syllabus completion report, the dates of PUT can be changed after discussion with HOD's. All the university examination works, like submission of internal marks, incentive mark and other submission dates strictly followed by the institute.

### 1.3 - Curriculum Enrichment

#### 1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Boys & girls are encouraged to work together in various activities like project work, lab, co-curricular activities. • The institute has formed its anti ragging committee to look after ragging issues for safety of the students. • ICC is established at the institute level to look after the gender issues. . • Girls are given equal opportunities in all organizing committees and departmental students associations. The institute invites experts from various fields to address the girl students' and faculty members.

Environmental Education: • The curriculum includes a Subject "Environmental Studies" which is an effort to inculcate the importance of Environment amongst the students. Human Values: .• Various activities like programs on communal harmony, tree plantation, voter awareness etc are being conducted under the banner of NSS to instill the human values. • Campus placement trainings are conducted for the final year students to increase

the employability of students. • Institute promotes 'Yoga' to generate health and fitness awareness towards the staff and students.

Upload any additional information	<b>No File Uploaded</b>
URL for feedback report	<b>Nil</b>

#### TEACHING-LEARNING AND EVALUATION

##### 2.1 - Student Enrollment and Profile

**2.1.1 - Enrolment Number Number of students admitted during the year**

**2.1.1.1 - Number of sanctioned seats during the year**

**132**

File Description	Documents
Any additional information	<a href="#">View File</a>
Institutional data in prescribed format	<a href="#">View File</a>

**2.1.2 - Number of seats filled against seats reserved for various categories (SC, ST, OBC, Divyangjan, etc. as per applicable reservation policy during the year (exclusive of supernumerary seats)**

**2.1.2.1 - Number of actual students admitted from the reserved categories during the year**

**383**

File Description	Documents
Any additional information	<a href="#">View File</a>
Number of seats filled against seats reserved (Data Template)	<a href="#">View File</a>

## **2.2 - Catering to Student Diversity**

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

### **Slow Learner and Fast Learner**

1. An orientation program is organized for first year students in which information is given about institute, curriculum, examination skill and activities of the institute.
2. In first year level students are differentiated as slow learner and fast learners on the basis of marks obtained in physics, chemistry, maths and English. Further it based on class test conducted by individual subject teacher. Student who performs better than average student is considered as fast learner.
3. Students in higher semester are segregated on the basis of internal assessment and performance in pervious university examination.

Programs organized for slow learners.

1. Bridge courses are conducted to fill the gap of curriculum.
2. Mentoring of students both academically and psychologically.
3. Remedial classes are organized for failure students in university examinations.

**Programs organized for advanced learners.**

1. Encouraged to participate in competitions at university and national level to enhance their skills and to win award and prices.
2. Motivate to achieve ranks in university examinations during annual functions.

File Description	Documents
Link for additional Information	<a href="https://mietbhandara.ac.in/uploaded_files/2.2.1-2023-2024.pdf">https://mietbhandara.ac.in/uploaded_files/2.2.1-2023-2024.pdf</a>
Upload any additional information	<a href="#">View File</a>

**2.2.2 - Student- Full time teacher ratio (Data for the latest completed academic year)**

Number of Students	Number of Teachers
411	24

File Description	Documents
Any additional information	<a href="#">View File</a>

**2.3 - Teaching- Learning Process**

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

To make process of learning more student centric different techniques of learning adopted by institute

1. The institution organize various technical and nontechnical events like quizzes, guest lectures,

technical workshops and other to improve their technical skills.

2. To get complete understanding of practicals, a practical viva is conducted after completion of

practical and if student consists any difficulty then it is solved at individual level.

3. To improve communication skills language laboratory has special software, this will improve

their understanding while communication.

4. In the time table of every class an "activity period "of two hours introduced deliberately. This

two hours used effectively to improve communication and technical skills, during which

group discussion and technical talks are conducted.

5. Industrial visits tours and summer -winter trips are arranged to a familiar practical aspect of

engineering.

6. Special courses are organized apart from regular academics such as CAD, embedded system,

Robotics etc.

7. E-learning recourses like NPTEL are made available.

8. Online certification courses are arranged under MOOC

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Today ICT is an integral part of teaching learning process for effective learning.

1. To understand the topic faculty has PowerPoint presentation of their respective subject while some faculty members OHP slides.
2. To facilitate presentation each department in the institute has digital Classroom.
3. Further to understand the basic video related to particular topic show in classroom e.g manufacturing process, 3-D animation of machines etc. This helps the students to get

better understanding through visualization.

4. In library, computer facility is available where student can get E-books, manuals of various topics, dissertation reports of Projects of various departments etc.
5. A computer facility with high speed internet connection facilitates the students watch videos of NPTEL.
6. Each student has NAD(National Digital Library) Login to access digital contents.
7. Institute always encourage faculty members to attend various FDPs and STTPs related to use of ICT in education.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

**Mechanism of internal assessment:**

- The institute follows very objective criteria in internal assessment. It is very well documented process through its various formats.
- As per university scheme, the internal assessment carries 20% weightage in theory examination. These internal assessment based on assignment, midterm sessional examination and pre university Test (PUT).
- It is mandatory for every subject to give at least 2 assignments which carries 6 marks. Sessional examination having weightage 4 marks based on 2 to 3 units of syllabus which is generally conducted in mid of semester .Pre-University Test Examination based on university examination pattern which is of 10marks conducted at last of the semester.
- Internal practical examination based on performance, practical record and viva voce which is taken on regular basis.
- Project and seminar is the important part of curriculum and objectively assessed on the basis of presentation, progress report and final reports by committee of teachers.
- Due importance is also given to the grade subjects which are assessed by MCQs Viva-voce and Reports.

**Robust System**

- Every effort has been taken by institute to conduct all internal assessment test as per academic schedule of institute.
- The process of internal assessment is monitored by academic in-charge and HOD's .and every reform is discussed in the meeting.

As institute is affiliated to RTM Nagpur University, all the reforms are followed by institute adopted by university.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound

and efficient

#### Grievances in internal assessment:

- To maintain the transparency in the internal assessment which is based on various internal assessment components, assignments questions are displayed in the classrooms and on notice board. Assignment submission status is recorded by individual subject teacher.
- Marks of Sessional Examination and Pre University Test are displayed on the notice board.
- Internal assessment of practical's done objectively base on practical evaluation sheet which is displayed to students.
- If any student persist problem or having any issue with internal marks then he candiscuss with individual subject teacher or mentor allotted to him, if found unsatisfactory then he can discuss with HOD. Students have generally given 7 days time to resolve problems before submission of final marks.
- Student performances conveyed to their parents in parent meeting and through post and SMS.
- If student face any problem during Sessional Examination and Pre University Test then internal examination committee which consist of examination In-charge and senior faculty members which is decided by principal takes all efforts to solve it.
- Tentative assignment submission dates, Sessional Examination and Pre University Test (PUT) dates and date of submission of internal marks as per academic schedule of institute which is based on RTMNU university academiccalendar.

All the university examination works, like submission of internal marks, incentive markand other submission dates strictly followed by the institute.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The POs-PSOs are made available to all stakeholders by following means:

- POs-PSOs are published on the website of the institute and displayed at entrance of each department.
- These are disseminated to the stakeholders through interactions such as, Student- class teacher meetings, parent meetings etc.
- The faculty explains the POs-PSOs -Cos in the beginning and course Outcomes expected from the courses offered to the students before the Commencement of every semester.
- A lecture is organized during Induction Programme of first year on Graduate Attributes in order to understand what skill, knowledge and behavior expected from them after pursuing engineering degree programme.

COs are mentioned in Assignments and PUT.

Upload COs for all courses (exemplars from Glossary)	No File Uploaded

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

- R.T.M. Nagpur University has provided the syllabus with Course outcomes (COs) for some programs while Course teachers have framed the course outcomes for others.
- 1-Low co-relation between CO-PO and PSO
- 2-Medium co-relation between CO-PO and PSO
- 3- High co-relation between CO-PO and PSO
- CO attainment depends on the internal assessment through sessional exam, PUT, Assignment, Practical's, Project work, and University theory and practical examination
- Semester Exam wise CO Code average is calculated and mentioned in sheet.
- The student who got more or equal to average percentage of marks as decided by IQAC (as per above table) considered that outcome is attained which is denoted by 1 otherwise it is 0.
- Then percentage of student who got more or equal to average

percentage of marks is calculated and attainment level is calculated as per following:

- Attainment level 1 =41% to 50% if student who got more or equal to average percentage of marks.
- Attainment level 2 =51% to 60% if student who got more or equal to average percentage of marks.
- Attainment level 3 =61% and above if student who got more or equal to average percentage of marks.
- As total attainment is 1, as per RTM Nagpur university weightage of 0.8 given to university theory and 0.2 given to internal assessment. These two factors (0.8 and 0.2) multiplied by level attained to calculate overall attainment.
- The attainment evaluation process is being introduced from odd semester of AY 2018-19.

### 3.3 - Extension Activities

3.3.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

**Colleges play a pivotal role in shaping young people's**

understanding of their roles in society and equipping them with the tools needed to make a positive impact.

In order to foster a sense of civic engagement and social responsibility among our students, the Civil Engineering Students Association (CESA) has selected Village SalebardiPunarvasan for overall development work, in collaboration with various non-governmental organizations.

We planned the following activities in the village:

1. Cleaning the village

- 1. Plantation
- 2. Rainwater Harvesting System

Upto December 2024 we have approximately plantedover 100 trees in the village and planned to manage them for the next three years with the assistance of first-year civil engineering students.

Objectives:

- 1. to foster a sense of civic engagement and social responsibility among our students
- 2. To create awareness among students about clean, safety environment.
- 3. To nurture culture and importance of plants to maintain balance in an ecosystem.

The primary result of this initiative is that the students are adopting and caring for the trees for a four-year period during their time at the college. Students are developing emotional attachments to the trees they have adopted after completing their degrees.

#### 4.3 - IT Infrastructure

##### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The institution has a internet leased-line to fulfill the requirements of internet for the students and staff. Management of the internet services is carried out by the in house competent staff. anti-virus software is being used in for providing a safe and secure environment for computer digital and online activities. Routers and fiber optic network has been established by the service provider in proper places for quality internet service in the institute.

The institute is having well established IT facility network in the entire campus. Each department is having its own IT facility with optimum number of Computers, printers and scanners. All the computers are connected with a single network. Institute ensures availability of proper number and configuration of physical IT infrastructure. Whenever additional curriculum needs arise, it is ensured that required IT infrastructure is available on time. The college regularly upgrades both software and hardware facilities as per the academic requirements. Deployment of IT infrastructure is done through System Administrations team. All the academic and administrative IT requirements are addressed by this team.

The following are the strategies for deploying and updating IT infrastructure and associated

facilities:

The computers are regularly upgraded with Anti Virus.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The college has appointed external agencies for maintenance and repair of infrastructure, equipment and other support facilities. College management appoints agencies for cleaning of campus, laboratories, library, sports complex, computers, classrooms and other Physical infrastructure. The Electrical, Civil and Computer & Information Technology department mainly supervises work of electrical, civil and computer maintenance work. Each department has lab in charge who informs through note sheet to the concern incharge for maintenance of electrical, civil and computer work.

The college is having following policies for maintenance of electrical fixtures, computers and civil

work:

The maintenance work is carried out by maintenance wing or some private contractor under departmental supervision.

After maintenance work, bill is forwarded and sanctioned by Principal of college. Apart from this each Head of Department get some fund in the form of imprest from college for maintenance of labs which they carry out with inhouse or private contractors.

**GOVERNANCE, LEADERSHIP AND MANAGEMENT****6.1 - Institutional Vision and Leadership**

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The governance of our institution is deeply aligned with its vision and mission, ensuring that every decision and action reflects our commitment to excellence in education and societal contribution.

Our vision is to establish ourselves as a Centre of Excellence in a rural area, producing technically proficient professionals who serve both industry and society. To achieve this, governance structures focus on fostering innovation, inclusivity, and sustainability, ensuring that students receive a world-class education regardless of geographical limitations.

Our mission emphasizes a holistic approach to the teaching-learning process, preparing engineering professionals to meet the dynamic needs of society. This is reflected in our governance practices, which prioritize curriculum development, faculty training, and cutting-edge research. Regular feedback from stakeholders, including students, parents, and industry representatives, helps us adapt to emerging trends and challenges.

The governance framework also ensures that students are enriched with knowledge, attitudes, and skills to excel as engineers, managers, researchers, entrepreneurs, and responsible citizens. Initiatives such as skill development programs, leadership training, and entrepreneurship cells are integral to our strategy.

By harmonizing administrative policies with the institution's vision and mission, we aim to empower students to achieve personal and professional success while contributing positively to society and the nation.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Institute values the opinions of its employees and emphasizes

decentralization and participative management across academic and administrative affairs. The organizational structure comprises the Principal, Heads of Departments, faculty members, the Office Superintendent, the Librarian, and non-teaching staff. Decision-making is led by the Principal, with contributions from top-level and senior faculty members during regular meetings, where tasks are delegated appropriately.

Academic activities are primarily managed by departmental faculty under the guidance of Heads of Departments, who conduct periodic meetings to discuss progress and improvements. Heads appoint various in-charges for classes, timetables, clubs, and laboratories, ensuring systematic management. Faculty suggestions for enhancing academics and administration are forwarded to the Institute administration. Similarly, the Office Superintendent communicates non-teaching staff matters to the Principal for resolution at the top administrative level.

Decentralization ensures efficient and quality educational delivery, while participative management fosters transparency in academic and administrative processes. The Institute also organizes co-curricular and extracurricular activities, including Ganesh Festival, Sports Week, national-level conferences, and events under departmental clubs like ETHICS, AME, CESA, and ACE. These initiatives reflect the Institute's commitment to participative culture and decentralization, driving collaborative efforts for academic and institutional excellence.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

At MIET, every year actions taken on strategic plan are reviewed in detail necessary steps are subsequently taken in order to achieve the targeted goal. Out of many activities in line to strategy the most highlighted are:-

National level Tech-fest 'TECSONANCE' is annually organized since 2015.

**Improving Skills and Entrepreneurship Development.**

Encouraging faculty and student towards involvement in R & D activities. Enhancing the quality of teaching learning.

Solid waste generated in campus is converted into manure by composting

Paste link for additional information	Nil
Upload any additional information	<a href="#">View File</a>

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The MIET is managed by the Gondia Education Society (GES) through its governing body. The College Development Committee (CDC) includes representatives of management, staff, and the principal, recommending improvements in academics, administration, and infrastructure.

The Principal oversees the execution of institutional plans, ensuring efficient academic and administrative functioning via departmental and committee collaboration.

The Internal Quality Assurance Cell (IQAC) monitors and evaluates the quality of education to achieve course and program outcomes. In-Charge(s) focus on student activities and promote research & development, guided by the institutional perspective plan.

Heads of Departments implement the academic calendar effectively. Various committees, including ICC, Grievance Redressal, Anti-ragging, Cultural and Sports, and others, manage specific academic and administrative tasks.

The Office Superintendent leads the non-teaching staff, ensuring administrative efficiency. The institute adheres to service rules as per university statutes, state government, and HRD directives.

Faculty recruitment and promotions follow norms set by the University, State Government, and AICTE. Performance appraisals

align with the Career Advancement Scheme, with recognition for exemplary practices during staff meetings.

A Grievance Redressal Cell addresses complaints via a structured process involving analysis, reporting, and appropriate actions, including inquiry committees when necessary.

**6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff**

The institute has an appraisal system which is very fair and transparent. It is designed in such a manner that it gives the gap analysis and improvement areas. The appraisal report gives the idea regarding competency achieved, other achievements and efforts to be undertaken for improvement. It also motivates the other faculty members to perform well. Each and every faculty member submits the self-appraisal form in the prescribed format endorsed by respective Heads of the Department, In-Charge Academic and In-charge Discipline at the end of every academic year. Beside, from the current session, it has been submitted & reviewed quarterly

.Key points for teaching Staff appraisal are: Personal Information - Staff member fills information about his/her Experience, added new qualification gained, details of new appointment/promotion during the academic year Teaching and Learning Process - Teaching Staff write about his/her contribution in delivering Theory, Practical and Project load. Administrative works - Information about various administrative works carried out is mentioned under this section. Departmental Works- Information about Laboratory setting, renovation, industrial visits and other activities is written under this section

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Following are the two examples that illustrate the processes of institutional reviews and implementation of teaching learning reforms as facilitated by the IQAC; Academic Audit: Academic audit is conducted to review teaching learning process. Syllabus review : Daily coverage of topics covered by individual teacher is recorded department wise and if any subject syllabus is found to be lagging as per the schedule, then he is directed to make up the syllabus by taking extra lectures. Result Analysis: Result analysis is carried out to assess the performance of students in university examination. Feedback Analysis: A student feedback is taken in the middle of the semester for improvement of teaching quality. The feedback is intimated to the respective subject teachers for improvement in the quality of teaching learning process.

## **INSTITUTIONAL VALUES AND BEST PRACTICES**

### **7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

**1.Safety and Security:** In campus 34 Number of CCTV cameras have been installed in the campus with proper maintenance. The campus is proved to be secure due to its well maintained security system that is outsourced. The security guards are vigilant and present 24x7at all important locations in the campus. The college supports anti ragging drive. Anti ragging committee takes care of and keeps an eye on the activities in the college. The college has a Internal Complaint Committee, which deal with the safety and

security of girl students and female staff in the campus.

2. Counseling Counseling of students is carried out under the Internal Complaint Committee. This committee has been formulated to deal with issues related to gender bias, promote gender sensitivity and educate male and female members regarding gender equality. Apart from these committees the college has well developed teacher guardian scheme (Mentor-Mentee), through which the guardian teacher carries out counseling of students from time to time. The teacher mentor guides the students to inculcate confidence in them.

3. Common Room Separate rest rooms are present for girls and boys in institute. Rest rooms for girls are having in house wash rooms

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

**Solid Waste Management:** • Dustbins are placed at different locations at Institute such as office, departments and staff

cabins which are collected regularly. • The institute has a large open space in campus with planted vegetation which generates organic waste in the form of dry leaves and tree branches, which is collected and subjected to composting in the campus to generate manure. The nutrient rich manure is utilized for the plants as soil conditioner.

A group of cleaning staff daily collects all the waste in the premises from various dust bins after sweeping, mopping, cleaning and sorts the dry waste and wet waste. The other solid waste generated in the campus is collected in a waste container and is taken away by a venture of Gram Panchayat, Shahapur. Liquid Waste Management: • The source of sanitary sewage is from the toilets in the institute. The sewage is treated using septic tanks and the effluent is discharged into the soak pits.

E-waste Management: The E-Waste generated from the Institute is collected and disposed into the E-waste store room. It is proposed that once significant quantity of E-waste gets collected, the E-waste shall be sold to as scrap to local vendors.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

India is a country of a multi-ethnic culture where people belonging to religious, racial, cultural, and lingual identities live together harmoniously. Keeping this view in mind, MIET tries to maintain harmony and try to create goodwill among students. Most of the students taking admissions in the college are local and belong to the nearby places. In major extension activities participation of faculties, students and non-teaching staff are commendable. Each and every student along with faculty members are fully involved in the national developmental activities, national festivals and awareness campaigns. The flex board of environmental awareness, social harmony, unity, and moral values are displayed on the college campus. The college regularly organizes different activities for inculcating the values of tolerance, harmony towards cultural diversities. These activities have a very positive impact on society's cultural and communal thoughts directly. The college thereby celebrates Independence Day, Republic Day, Shivaji Jayanti etc. Covid Vaccination program arranged in college campus.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The motto of the institute 'promotion of learning' itself shows the equality, liberty, fraternity among every stakeholder. Every year 17th July is celebrated as 'International JusticeDay'. Various types of activities had been arranged to make this day meaningful. Lectures of faculties, eminent speaker are organised on that day to reiterate the significance of the constitution of India. To sensibiliser students, employees of our institution to the constitutional obligations many events are celebrated with fervour.. 26th January 'Republic Day' is celebrated every year to commemorate the adoption of the constitution. On this day flag is hoisted. Speech on constitution formation and its importance are delivered by faculty members and Principal of the college. The students get to know their duties towards their motherland and also the rights provided to each individual by our constitution. For helping women gain full and equal participation in global development every year on 8th March International Women's Day. The ''Independence Day' celebrated annually on August 15 by hoisting the national pride tricolour flag at our college premises by the Principal. Institute also celebrates "YOGA DAY".

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

**Best Practice-I**

1. Title of the Practice: Organizing National Conference for students - Emerging Trends in Engineering and Technology (ETE&T).
2. Objective of the Practice: Awareness about the current trends and development in the technology..
3. The Context: Research and Development in Engineering and Technology should be continues process.
4. The Practice: To fulfill the objectives, the institute has started the practice of conducting a national conference for students in the institute
5. Evidence of Success: The publications of the papers in the journal on the latest thrust areas of engineering are mark of the success achieved.
6. Problems Encountered and Resources Required  
Resources required: Hostel facility not available for outstation candidate.

**Best Practice-II**

1. Title of the Practice : 1.Organizing Techno-Cultural and Sports event 'TECHSONANCE' for the overall development of students .
2. Objectives of the Practice: • Encouraging students to participate at University or other colleges for sports , technical and cultural events.

3. The Context: • To inculcate quality of leadership, effective communication skills .
4. The Practice: The institute aims to focus on providing opportunity to participaantsin 'TECHSONANCE'.
5. Evidence of Success: Number of students participated in different events organized by University.
6. Problems encountered and resources required: Student participation from other colleges is low.

## 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

**Vision:** To emerge as a Center of Excellence in rural area to produce technically competent professionals to serve industry and society. **Mission:** • To implement holistic approach in teaching learning process for developing as an engineering professional to

meet present and future needs of society. • To enrich students with knowledge, attitude and skills to flourish them as successful engineers, managers, researchers, entrepreneurs and responsible citizens. Priority: The institute is located away from the city and the major thrust

area is to provide quality technical education to students of rural areas and the backward sections of the society. To achieve the objective of quality technical education areas of focus are, completion of 100% syllabus, feedback, and remedial classes for weak students are arranged. Thrust: The Vision & Mission statement defines institute distinctive characteristics. The mission statement of institute focuses on imparting quality technical education to develop them as an engineering professional. The major aim of the institute is to achieve academic excellence, for which institute has qualified and experienced faculty, technical staff and administrative staff who are committed to do best to achieve the mission of the institute.
